DANCE ACADEMY

Welcome to Celebrate! Dance Academy! We are a non-competitive, Christian dance studio committed to training dancers ages 3-adult to be artistically excellent, spiritually grounded, and creative leaders. We believe each dancer is full of their own unique creativity, and we provide an atmosphere where each dancer is valued and encouraged to share their own artistry.

Attached you will find our schedules for the 2018-2019 season. Dance classes run from September-May and end the year with a fully produced recital. For full class descriptions and teacher bios please refer to our website:
www.celebratedanceacademy.com

As you are looking at our schedule you will see “Level” classes listed. These classes require instructor approval prior to registration. Students currently enrolled in Celebrate! level classes will receive placement letters mid-April. If you are NEW to Celebrate! and have prior dance experience, please e-mail Sarah to set up a placement audition. Level classes are designed for the dancer who wants to focus on dance as their main extra-curricular activity. Level classes are faster paced, have more performances throughout the year, and offer a more intense learning environment with a higher attendance expectation. Conservatory classes are for our highest level dancers by audition only. Please see brochure for details!

Register online at CelebrateDanceAcademy.com or by filling out a paper copy of our registration form.
