Dance Classes

Celebrate Dance Academy is a non-competitive Christian dance studio committed to training dancers ages 3 through adult to be artistically excellent, spiritually grounded, and creative leaders. We believe each dancer is full of their own unique characteristics and creativity, and we provide an atmosphere where each dancer is valued and encouraged to share their own artistry.

Welcome to Celebrate Dance Academy!

Attached you will find our schedule for the 2019-2020 season. Dance classes run from September-May, and each dancer participates in a fully produced recital at the end of the year. For full class descriptions and teacher bios please refer to our website:

www.celebratedanceacademy.com

Level Classes:

As you are looking at our schedule you will see "Level" classes listed. These classes require instructor approval prior to registration. Students currently enrolled in Celebrate level classes will receive placement letters mid-April. If you are NEW to Celebrate and have prior dance experience, please e-mail us to set up a placement audition. Level classes are designed for the dancer who wants to focus on dance as their main extra-curricular activity. They are fast paced, have more performances throughout the year, and offer a more intense learning environment with a higher attendance expectation.

Conservatory Program:

The Conservatory Program is for dancers ages 13+ seeking a high level of training through a holistic dance curriculum grounded in faith. Ideal for the dancer who is looking to study dance beyond high school, pursue a dance degree, perform in a company, in musicals, or teach dance. To be eligible for this program, dancers must be placed in a level 3 or higher in both ballet and modern. This is an audition only program.

Performance Troupe:

Performance Troupe was created for dancers ages 7-10 who wish to have additional performance time throughout the year and desire to make a difference in our community through the art of dance. In addition to the spring recital, Performance Troupe dancers will participate in approximately 3-4 additional performances throughout the year. Performances may include senior living facilities, church services, parades and more!

Mosaics Student Dance Company:

Mosaics is an audition only pre-professional company of dancers ages 13-adult. Dancers get a taste for what it would be like to be in a professional company and have the opportunity to perform a full-length concert dance performance. Rehearsals run September-February and end the season with a dance concert in February.
