

26 DAYS OF PRAYER 2020

FEB 1-26

Every day we focus ourselves and our prayers through these simple things. Try following this form for your prayers.

Humble Yourself. Place yourself in the right position before God. Confess your sins and declare who He is into your heart and out loud.

Seek God. In every area of our lives we look to God as our source and declare our dependence on Him. Ask Him to move in areas of your life you have kept for yourself and proclaim Him as Lord over those things.

His Kingdom Come. Invite the presence of God into your life and into the world, praying for the completion of the Great Commission.

Hearing from God. Invite the presence of God into your life daily, asking for God to speak to you and show you how He is at work. Then take a moment to sit and listen for Him to speak.

Praising God. Glorify God and praise Him for who He is, how He hears you and answers you.

We have a specific prayer focus each day, but also ask that you commit to praying for your one—the one person that you long for to know Jesus.
